LETTER OF REFERENCE: MS DELEEN WILSON

I have had the pleasure of working with Ms Deleen Wilson for the past four years, both as a sub-contractor to her, as well as her sub-contracting to me on various media and communications projects.

These projects included media and communications work for the City of Johannesburg and the Gauteng Department of Housing – the Bekkersdal Renewal Project and the Evaton Renewal Project.

Ms Wilson is an expert on all aspects to do with publications and media liaison. She is an excellent writer, editor and production manager. She has expert knowledge about design, layout and print liaison.

I have been extremely satisfied with all the writing and production projects that Ms Wilson has managed for Gabriel & Associates and I would highly recommend her to any organisation.

Yours sincerely,

Cassandra Gabriel
