Reference for Deleen Wilson

We have worked with Deleen for nearly two years and right from the word go established an excellent relationship.

She is both client orientated and deadline driven. We always have a fair number of last minute copy and layout changes which she and her designer cope with admirably. We also find that she puts in a lot of effort to source special offers for our readers which is much appreciated by all.

Deleen oversees both the quality of the print and turnaround time very well and ensure standards are always maintained.

We are extremely satisfied with the service she provides and look forward to our continued relationship.

Yours sincerely
